

# Foreldra- og öryggisstillingar í Roblox

# ROBLOX

- ▣ Roblox er vettvangur þar sem hægt er að spila marga mismunandi leiki og eiga í samskiptum við annað fólk
- ▣ Leikirnir sem eru í boði á Roblox eru hannaðir af notendum og geta þ.a.l. verið alls konar
- ▣ Slíkt umhverfi gerir það að verkum að töluvert af leikjum á Roblox eru ekki við hæfi barna
- ▣ Það er því mikilvægt að kynna sér foreldrastillingar á Roblox áður en barnið fær aðgang

**Roblox býður upp á ýmsar foreldrastillingar. Með stillingunum er m.a. hægt að:**

- ▣ Setja aldurstakmörk á ákveðið efni
- ▣ Stjórna hverjir get átt í samskiptum við barnið
- ▣ Takmarka aðgang að ákveðnum leikjum
- ▣ Setja takmörk á tíma, peningaeyðslu og sýnileika barnins

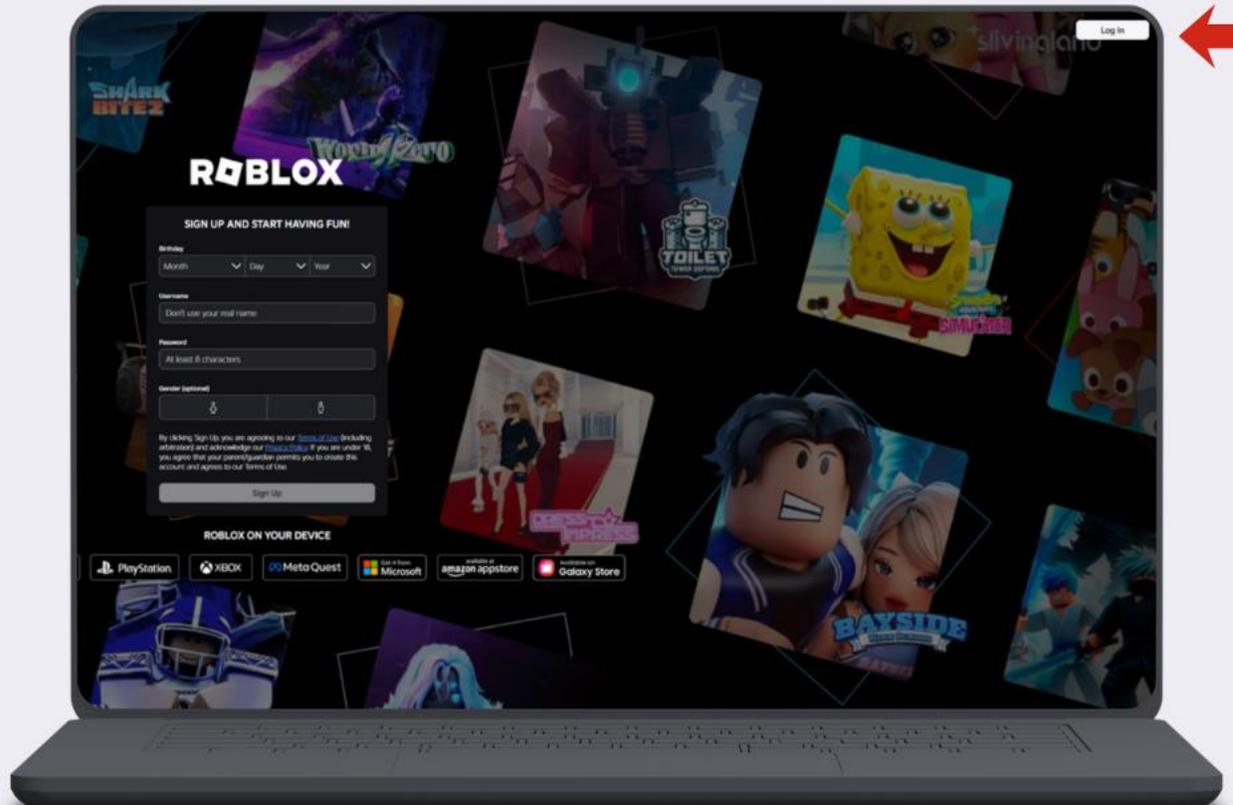

Hafa ber í huga að **einfalt er að stofna nýjan reikning á Roblox**, jafnvel án þess að nota nýtt netfang, og þannig **komast framhjá þeim öryggisstillingum** sem hafa verið settar upp á eldri reikningi.

Sömuleiðis er **nauðsynlegt að við metum sjálf efnið** í þeim leikjum sem börnin spila og **treystum ekki eingöngu á aldursmerkingar leikja** innan vettvangsins.

Á Roblox eru tugir milljónir leikja og því líklegt að þeir séu **ekki allir aldursmerktir á réttan hátt**.

**ROBLOX**

Your child, , would like you to link to their account on Roblox. To approve this request, you'll need a Roblox account with parent privileges.

Create account Use existing account

This link expires in 24 hours

Linking to your child's account will give you access to parental controls and insights on your child's screen time, Connections, spending, and more.

**About parent privileges on Roblox**

Creating an account with parent privileges only takes a few minutes. You'll be asked to enter your birthday, verify your age using a government-issued ID or credit card, and link to your child's Roblox account. After that, you'll be able to approve certain actions for your child on Roblox, and will receive email notifications about your child's account.

If you already have your own Roblox account, you can link it to your child's account and add parent privileges.

Your child provided your email address to request that you link to their account. If you choose not to link an account with parent privileges, your child will still be able to use their account and access most features on Roblox, including filtered text chat. You may request that we delete your child's account or request that we delete your email address at any time by contacting [Roblox Support](#). Apart from a parent's email, we do not otherwise collect, use, or disclose personal information from users under 13.

If you do not take action on this email, your email will be deleted from our system after 24 hours.

**Verify you're a parent**

To link your account to your child's, first verify you're an adult

-  **Safety is our priority**  
To keep children safe, parents on Roblox must verify their age
-  **We take privacy seriously**  
After verifying, Roblox won't save your ID or credit card unless you give permission
